

Since John  
Quit Drinking

By John's Wife

I'm the happiest little woman,  
In all this little town,  
And my merry laugh and singing,  
Takes the place of sigh and frown.  
For JOHN HAS QUIT HIS DRINKING  
And is like himself once more,  
And the world is just a paradise  
With such happiness in store!

One day I read some verses—  
"Mary's Miracle," the name,  
And I said, that's John exactly,  
And I'll read and get the same.  
So I sent for GOLDEN REMEDY,  
(As they say it could be)  
And I put it in John's supper  
And I put it in his tea.

And it didn't taste a little bit,  
Had no odor, so you see—  
It was smoothest kind of sailing  
For little Doctor John.  
And I watched and prayed and waited,  
(And cried some, I guess),  
And I didn't have the greatest faith,  
I'm ashamed now to confess.

And John never thought a minute,  
He was being cured of drink,  
And soon he's as well as any one,  
It makes me cry to think!  
Just makes me cry for gladness,  
I'm so proud to be his wife—  
Since he's cured, I'm sure,  
And leads a nice, new life.

"Since John has quit drinking!"  
I can't say it times enough!  
And here and there a figure  
As he would a poison stuff.  
And when I see my prayers at night  
As thankful as I can be,  
I pray for John the most of all—  
Then GOLDEN REMEDY.

CLARK PROMISES TARIFF  
REVISION THE FIRST THING

Bowling Green, Mo., Nov. 10.—Down-  
ward revision of the tariff at once is  
the pledge made for the new Demo-  
cratic house by Chairman Clark, con-  
gressman from the ninth district, who  
is a candidate for the speakership.  
"The landslide is in line with my  
prediction of months ago," said con-  
gressman Clark.  
"The first and greatest proposition  
the Democrats should stand for is  
reduction in the tariff to a revenue  
basis. I would reduce it scientifically  
and gradually and put into it a sliding  
scale much like there was in the tariff  
bill of 1913."

FURTHER RETURNS  
INCREASE VOTE  
OF DEMOCRATS

(Continued From Page One.)

ernor Hadley has received a report  
that Holmes Hall, a Republican, had  
carried the seventh Missouri congres-  
sional district over Courtney Hamlin,  
a Democrat, by a majority of 25 votes.  
It will probably require the official  
count to determine the winner.

## Montana.

Helena, Mont., Nov. 10.—Late re-  
turns indicate that the Montana legis-  
lature will be Republican on joint bal-  
lot. If so, senator Thos. Carter will  
probably be his own successor.

## Nebraska.

Omaha, Neb., Nov. 10.—It is appar-  
ent that fuller returns will be required  
to decide the complexion of the next  
Nebraska legislature which will elect  
a United States senator to succeed El-  
mer J. Burkett.

The same conditions obtain as to  
the liquor question.

In other respects the returns thus  
far received left no doubt of the gen-  
eral result. The Republicans have  
elected a governor and other state of-  
ficials and three congressmen, and the  
Democrats have elected three.

## Nevada.

Carson City, Nev., Nov. 10.—Eighty-  
seven precincts out of 239 in Nevada  
give for United States senator:  
Nixon, Republican, 4566; Pittman,  
Democrat, 2687.

For congress: C. E. Roberts, Repub-  
lican, 4572; Sprague, Democrat, 3413.  
For governor: W. A. Massey, Repub-  
lican, 4586; Dickerson, Democrat, 3535.

## New York.

New York, N. Y., Nov. 10.—Marked  
gains in the Socialist vote throughout  
the state are shown in the returns from  
the election. Figures available indicate  
a total vote for Charles E. Rus-  
sell, nominee for governor, of 65,000,  
which is nearly double the 33,994 votes  
of 1908. In New York city Russell  
received 27,334.

Among the large cities that show  
substantial Socialist gains are Buffalo,  
Schenectady, Syracuse and Rochester.  
With a safe Democratic majority as-  
sumed, the next state legislature,  
which will select a United States sen-  
ator, political prophets are picking up  
a probable successor to Chauncey M.  
Dewey.

Already the names of four men in  
New York city have been advanced as  
having performed party services mer-  
iting this reward. They are William  
F. Sheehan, former judge Alton B.  
Parker, Edward M. Shepard and John  
B. Stuchfield.

John B. Stuchfield was the Demo-  
cratic nominee for governor in 1900  
and received the complimentary nomi-  
nation of his party for United States  
senator in 1901.

**Payne's Close Call.**  
The total vote for congress in the  
Auburn district shows Seno Payne  
author of the Payne tariff bill, 6735;  
Colmer, Democrat, 6095.

**Wagonload of Trophies.**  
Wednesday was the day for cashing  
in on election bets and one Tammany  
election captain hired an express wagon  
—a union express wagon—to do it.  
When he had made the rounds he had  
a full load of new hats and boxes of  
cigars, and a wagonload of \$1,000,000  
changed hands.

Oddly enough, the heaviest individ-  
ual loss reported befell a man who  
bet on Dix, but placed his plurality at  
75,000 or better.

## Ohio.

Cleveland, Ohio, Nov. 10.—Final un-  
official figures on the Ohio election  
show that the Democrats have elected  
15 out of 21 congressmen. Full re-  
ports from the 19th district show that  
representative W. A. Thomas, Repub-

lican, was defeated by E. R. Bathick,  
Democrat, by 1800 votes.

In the 20th district, representative  
Paul Howland, Republican, wins on  
the unofficial figures over William  
Gordon, Democrat, by only 54 votes,  
and the Democratic committee claims  
that the official canvass will show  
Gordon elected.

Harmon's plurality is the second  
largest ever given an Ohio candidate  
for governor. The largest plurality  
previously given to a Democratic can-  
didate was John M. Pattison in 1905,  
who won by 40,647 votes.

## Oklahoma.

Huthrie, Okla., Nov. 10.—There is  
little room for doubt that Lee Cruce,  
the Democratic candidate, has been  
elected governor of Oklahoma. J. R.  
Williams, chairman of the Democratic  
state committee, claims that Cruce has  
won by a majority of 25,000. He also  
said the rest of the Democratic state  
ticket had won by a similar majority.

Joseph W. McNeal, the Republican  
gubernatorial candidate, however, re-  
fuses to concede his defeat.

The woman suffrage and the local  
option amendments to the constitution  
were both defeated by majorities, it is  
thought, of 3 to 1.

The defeat of local option leaves  
Oklahoma still under statewide prohibi-  
tion.

## Oregon.

Portland, Ore., Nov. 10.—Complete  
returns from 267 out of 387 precincts  
in the state at large and from 87 in-  
complete precincts give Oswald West,  
Democrat, nominee for governor, a  
lead of 1702 over Jay Bowerman, Repub-  
lican.

## Rhode Island.

Providence, R. I., Nov. 10.—Elected a  
year ago by the largest plurality ever  
accorded a candidate for governor in  
Rhode Island, governor Aram J. Po-  
thier, Republican, is reelected for a  
second term by a plurality of 903, one  
of the smallest votes in the history of  
gubernatorial contests in the state.

The Democrats elected George F.  
Shaughnessy to congress from the first  
district, while the Republicans won  
with George H. Hutter in the second.

The next assembly will be de-  
clined over the election of a successor  
to senator Aldrich.

## South Dakota.

Sioux Falls, S. D., Nov. 10.—Late re-  
turns increase the majority by which  
governor Wesley and other candidates  
on the state and congressional tickets  
swept the state. The majority of gov-  
ernor Vessey may reach 20,000, while  
the majorities of congressmen Martin  
and Burdette may reach 25,000.

It is believed that county option and  
woman suffrage were defeated by  
large majorities.

## Utah.

Salt Lake City, Utah, Nov. 10.—Re-  
ports received by the Herald, Repub-  
lican, from every county in the state  
give Howell, Republican, for congress,  
49,335; Erickson, Democrat, 31,398, a  
plurality for Howell of 18,028. Legis-  
lature: Senate, Republicans, 15; Demo-  
crats, 2; house, Republicans, 35; Demo-  
crats, 7.

## Washington.

Seattle, Wash., Nov. 10.—The liquor  
business fared ill in Tuesday's elec-  
tions in Washington. Besides carrying  
the large cities of Bellingham and  
Everett, and a dozen other towns in  
the northwestern counties, the "dry"  
of Wenatchee and Chelan counties dou-  
bled their former majority.

Two new county seats were won  
from the saloons—Mount Vernon in  
Skagit county, and Shelton in Mason  
county.

The Anti-Saloon league announces  
that all five of Washington's new dele-  
gation in congress are pledged in  
writing to vote for an amendment to  
interstate commerce law, which  
will forbid the carrying of liquor from  
one state into another which has a  
law against such importation.

The Republicans elected all five of  
the Washington congressmen.

**Women Re-elected.**  
Mrs. Emma Smith Dewey, president  
of the State Equal Suffrage associa-  
tion, has issued an proclamation setting  
apart Thursday, November 24, as a  
day of thanksgiving for the newly en-  
franchised women of Washington. At  
least 120,000 women will be added to  
the list of voters in Washington by  
the ratification of the equal suffrage  
amendment to the constitution.

So far as known only one county in  
the state went Democratic in the con-  
gressional election.

**Cannon's Friend Returned.**  
Wm. E. Humphrey, reelected to con-  
gress from the first Washington dis-  
trict and a staunch supporter of speak-  
er Cannon in the fight made against  
him by the insurgents at the last ses-  
sion of congress, sent the following  
telegram to congressman Champ Clark  
at Bowling Green, Mo.:  
"You should be elected speaker; will  
fight for you, but for anything but  
vote for you. After Merch 4th  
am against the rules, Clark and Clark-  
ism up to the hilt. From present sym-  
ptoms, am certain that in next con-  
gress I will believe in freedom of speech as  
never before."

## Wisconsin.

Milwaukee, Wis., Nov. 10.—The three  
proposed constitutional amendments,  
providing for reapportionment of sen-  
ate and assembly districts, increasing  
legislators' salaries and providing for  
appropriation for the preservation and  
development of the water power and  
forests of the state, are said to have  
carried.

The Socialists elected 13 members to  
the legislature, one senator and 12 as-

semblymen from Milwaukee county.  
The Republicans elected a La Follette  
legislature and their entire state ticket.  
Frances E. McGovern, Republican  
governor-elect, has a plurality esti-  
mated at 60,000. The Republican state  
central committee claims at least 50  
votes in the legislature for La Follette  
on the joint ballot, which is a safe  
majority. Eight Republican congres-  
sional, one Democrat (the sixth district)  
and one Social Democrat (fifth dis-  
trict) were elected.

**Wyoming.**  
Cheyenne, Wyo., Nov. 10.—The ma-  
jority of former Republican United  
States senator Carey for governor of  
Wyoming is 5201 over Mullen, his Re-  
publican opponent. Carey ran as a  
Democrat. The legislature stands 48  
Republicans and 35 Democrats. This  
insures the re-election of senator  
Clark Mondell for congress carried  
the state by 5201.

**NEW YORK SUPPRAGETTES  
TO HOLD CELEBRATION**  
New York, N. Y., Nov. 10.—New York  
supraettes will hold a mass meeting  
at Cooper Union tonight to celebrate  
victory for woman suffrage in the state  
of Washington.

The meeting will be one of the largest  
ever held in the city. Mrs. O. H. P.  
Belmont and Mrs. Clarence Mackay are  
expected to speak.

SOME OF THE RESULTS IN THE VOTING  
IN EL PASO COUNTY WERE VERY ODD

(Continued From Previous Page.)

sloner, T. C. Wofford for justice and  
A. Clayton for constable.

**Another Whitewash.**  
Kent, precinct 25, cast six votes, just  
enough to elect the Platanos, and the two  
were solidly Democratic. A. Clayton  
and T. C. Wofford got the vote for  
constable and justice of the peace, and  
T. D. Love for commissioner. As they  
also got the Plateau vote, they are  
elected in the precinct.

**Republicans Run Well.**  
At Fabens, precinct 13, C. M. Mc-  
Kinney, Republican nominee for coun-  
ty commissioner, ran J. J. Perez, a  
close race, polling 15 votes to 19 for  
Perez. McKinney ran ahead of Perez  
at El Paso, 12 to 18, but Perez over-  
came the majority, it is stated, at San El-  
izario. Louis Parra is going to be jus-  
tice of the at Fabens because he  
polled 26 to his opponent's three. His  
opponent was Santiago Chavez. P. Gon-  
zalez, 27 votes for constable, and  
more than Colquitt scored for gov-  
ernor, hence will carry a gun and wear  
a star for two years.

**Ridgeley and Ware Elected.**  
Towne, which is the El Paso smel-  
ter, cast its vote for C. Ridgeley and  
J. H. Ware for constable and justice  
of the peace. As Vinton did the same  
thing, they will administer justice for  
another two years. This is the pre-  
dict where J. J. McKinney took all the  
votes—32, count 'em, 32—and refused  
to let his Democratic opponent, Jim  
Clifford, even get one vote for county  
commissioner. For governor, however,  
Colquitt led the Republican, Judge  
Terrell.

**McKinney Crowds Perez.**  
In precinct 16, at San Elizario, Col-  
quitt got 105 votes and Terrell, Repub-  
lican, 13. Perez got 60 votes for county  
commissioner and McKinney, Repub-  
lican, 59. Louis Parra got 71 votes for  
justice of the peace and Santiago Cha-  
vez, 40. For constable, P. Gonzalez got  
110 votes and the job.

In precinct 19, the Island, McKinney  
beat Perez for county commissioner,  
scoring a total of 17 votes to 9 for  
Perez. Clifford got 29 votes and Ter-  
rell, 6. For constable, P. Gonzalez got  
21 votes, and for justice of the peace  
Santiago Chavez got three votes and  
Louis Parra 16.

Concordia, which is precinct 13, gave  
Clifford 44 votes to J. J. Orms-  
bee's 14 for county commissioner. Col-  
quitt got 47 to Terrell's 7. Mitchell got  
24 votes and Montoya 11.

**At Figure 2 Ranch.**  
In precinct 14, at the Figure 2 ranch,  
Colquitt received 13 votes for gov-  
ernor while Terrell polled but one. This  
is commissioner's precinct No. 4, and  
T. D. Love, who had no opposition,  
polled 13 votes. A. Clayton, the only  
candidate for constable in precinct 1,  
got 13 votes while T. C. Wofford, can-  
didate for justice, got the same num-  
ber.

**Perez's Home Loves Him.**  
Colquitt got 121 votes in precinct 15  
at Socorro, while Terrell polled 25.  
Perez, 165, was elected constable, car-  
rying 127 votes to 126 polled by C. C.  
Carpio. In this precinct Jose J. Perez,  
candidate for county commissioner  
from precinct 3, showed his strength  
by polling 98 votes to 47 secured by  
J. M. McKinney. It was this polling  
place, Perez's home, which elected  
him.

**THREE COUNTY COMMISSION-  
ERS REELECTED TO OFFICE**  
County commissioners' court will  
comprise but one new member, follow-  
ing the canvassing of the election re-  
turns—James Clifford—who succeeds  
J. J. Freudenthal in precinct No. 1.  
J. J. Smith, precinct 2; J. J. Perez,

FOR NEW SCHOOL HOUSE**  
Amistad, N. M., Nov. 10.—The school  
bond election was carried by a majority  
of 13 to bond the school district to build  
a \$3000 school house. The town has a  
splendid 40 acre tract, donated by Prof.  
E. E. Kelsey for school purposes, on  
which the school building, play grounds,  
and park are to be built. Meantime, the  
high school is to be held in the base-  
ment of the new United Brethren church,  
and the primary and intermediate  
schools are holding forth in the old  
church building.

## Fat People Want Rest

Overfat men and women long for rest  
from many things, from the burden of  
their flesh, from dieting, from exer-  
cise, from curious glances, from fear  
of death by suffocation, from that ter-  
rible of anemias that obesity brings.  
They are deadly tired of the weary,  
unsocial life they are forced to lead.  
Many have found relief from the burden  
of the famous Marmola Prescription.  
Many more will find that by taking  
after each meal and at bedtime a pleas-  
ant little Marmola Prescription Tablet  
the excess fat will be consumed and  
the general health vastly improved.  
These tablets are as absolutely harm-  
less as the original Marmola Prescrip-  
tion, because they contain exactly the  
same ingredients in the same propor-  
tions, therefore no dieting or exercise  
are necessary. A reduction of a pound  
a day is not too much to expect from  
them, and you will not develop wrin-  
kles or shabbiness with the loss of  
flesh. The economy of this method of  
harmless reduction is apparent when  
you consider that a generous supply of  
Marmola Prescription Tablets may be  
obtained for a little money. These  
little fat reducers are sold by all drug-  
gists, or sent postpaid by the Marmola  
Co., 737 Monroe Ave., Detroit, Mich.,  
and the price for a large case is 75c.
